The Company

Company overview

The firm

Established in Kota, Rajasthan, in 2008, Laddha Enterprises provides civil construction services across buildings, roads, highways and industrial roads — for private developers and government bodies across the Hadoti region.

Leadership

The team is managed and guided by Mr. Ashok Laddha, whose thirty-six years in civil engineering services anchor the firm's planning, execution and client relationships.

Quality assurance

Raw material procured from quality-driven suppliers and checked at our own inspection unit

Delivery to the client's specification, meeting international quality standards

Consistent quality improvement with innovative, cost-effective methods

Timely execution of every service undertaken

02

Royal Villa, Baran Road	25 row houses, 2022–24	Royal Prime Ltd.	₹9.40 Cr

03

Government works

An aerial night photograph of the Keshavpura flyover in Kota. The flyover is a multi-lane elevated road that curves through the city. To the left of the flyover, there is a large, modern building with a red and white facade, possibly a hotel or a commercial complex. The surrounding area is densely packed with buildings and streetlights, creating a vibrant urban scene. The flyover itself is illuminated, and its lanes are clearly visible. The overall atmosphere is one of a bustling city at night.

Keshavpura flyover, Kota

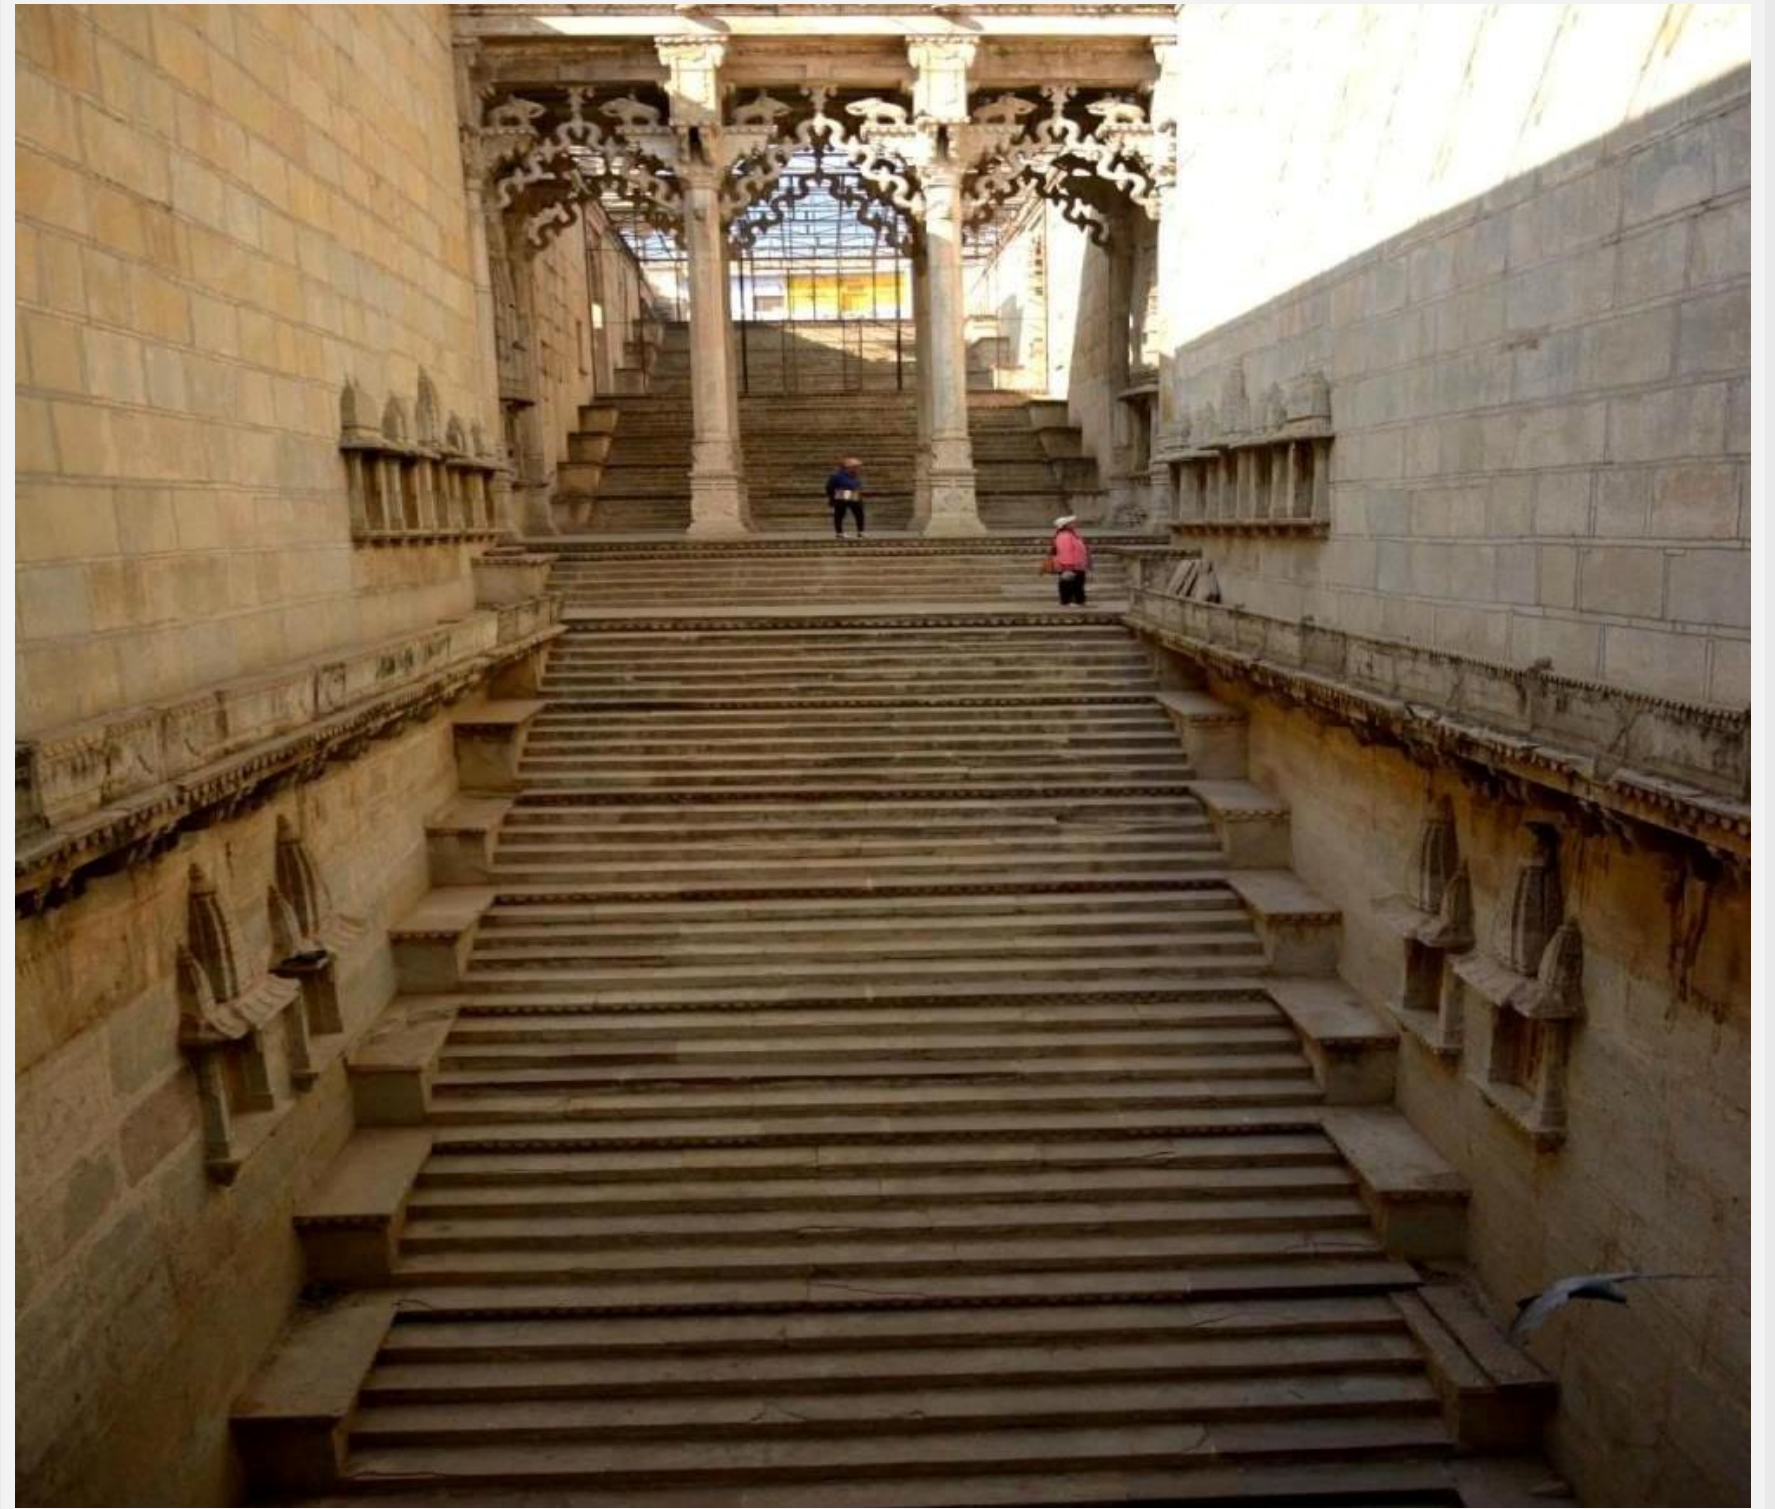

Bituminous work on the flyover corridor — 40,000 sqm tack coat, 2,000 cum DBM and 2,500 cum bituminous concrete, executed as a ₹4.5 Cr sub-contract.

Completed government works

PROJECT	YEAR	CLIENT	VALUE
Coal-yard concrete (M-35), Mangalam plant	2021–22	Mangalam Cement Ltd.	₹1.77 Cr
Roads at Talwandi and Jawahar Nagar	2021–23	UIT, Kota	₹3.73 Cr
Aerodrome underpass road work	2021–22	Vijay M Mistry Construction	₹3.50 Cr
Danbari–Keshavpura flyover, Rangbari Road	2020–22	Vijay M Mistry Construction	₹5.80 Cr
Indira Gandhi flyover	2021–23	Vijay M Mistry Construction	₹4.50 Cr

Heritage restoration

Restoration of historic bawaris — stepwells — at Bundi (₹1.70 Cr, Nagar Nigam) and across the Hadoti region (₹1.90 Cr, UIT), completed in 2024–25, with further bawaris now under restoration at Jaipur (₹4.50 Cr).

04

Capability and clients

₹87.5 Cr

The current order book, across five ongoing works — roads, townships, industrial infrastructure and heritage restoration.

Ongoing projects
